friendly, kind and engaging environment

EVERYTHING

It's community spirit, friendly atmosphere & wonderful, supportive teachers

Nurturing, inclusive & community feel

Extra curricular activities (forest school, history days etc)

LINSLADE LOWER SCHOOL

PARENT SURVEY FEEDBACK

What do you think the school needs to improve?

YOU SAID: *There's a strong focus on Christianity and little diversity of cultures.*

The curriculum develops awareness of other cultures and diversity. Curriculum subjects are reviewed regularly to ensure representation of diversity. Our RE lessons and assemblies teach about a variety of faiths and beliefs. In PHSE we talk about everybody being special in their own way. Books are chosen carefully to represent diversity and inclusiveness.

YOU SAID: *Do better to support children with SEN*

- We have a dedicated and well trained SEN co-ordinator who facilitates provision for children with additional needs.
- All children with SEND support plans have individual parents' meetings throughout the term to discuss the plan and any progress.
- The school has positive relationships with outside agencies to obtain additional funding and support as appropriate.
- Staff are well trained to meet the needs of children and provide interventions.
- We have link governors who have a responsibility for SEND and meet regularly with our SENCO and report back to the governing board.
- Our most recent ofsted inspection (January 2022) the report noted that support for children with SEND is strong.

YOU SAID: *Improve communication across split households with 2 families.*

- The school is able to have 2 email addresses per family for online communication.
- We are able to provide additional copies of letters and annual reports if parents would like to receive this please let the office know.
- Our newsletters, school calendar and information is on the school website and updated regularly for all to access.
- Parents are able to request additional parents' evening sessions if required.
