

Apple Class Learning Bulletin

26th September 2025

We have had a lovely week in Reception. The children have arrived at school this week and engaged in many learning opportunities, including creating a collage of a spider and a leaf man, exploring our Autumn finds, construction and playdough. The children have also thought about their clever bodies. Apple class have learnt a new song 'Oats and beans and barley grow' and the children were keen to have a copy of the song words, to sing at home (please see other attachment).

Today the children changed their school library book (if they brought it into school). Please enjoy sharing the book together at home **and please bring it back to school on a Friday, as this is the day when books will be changed.**

The children listened to the story; 'The Hare and the Tortoise' and were introduced to the second Super Six Learning Power – **Determination**.

We have made the most of the good weather this week and the children have played, explored and socialised outside.

The children have tried hard this week and earned 2 class 'Leo rewards'.

Well done Apple Class a super week at school!

How you can help at home...

Listening skills – Go outside and together identify the sounds that can be heard in the environment

Read daily – Share stories that highlight perseverance

Celebrate determination – Talk about times when your child tried something new or kept going even when something is tricky, i.e. putting on their coat
