Latest News and Information from Linslade Lower School

Spotlight on Spotlight on **super 6 learning powers:**

The super 6 learning powers are six attributes that we believe are essential for learning successfully. They are promoted throughout the school in every lesson and are celebrated in assembly, when children who have demonstrated them, receive a certificate.

Since introducing them, we have noticed a great improvement in the children's resilience and independence. They are lifelong skills which will enable the children to adapt and learn in any context.

Our super 6 learning powers are:

commitment, determination, creativity, collaboration,
resourcefulness and reflection

Safeguarding at Linslade Lower School

If you have any concerns about a child's safety or wellbeing, please speak to a member of the school's Safeguarding Team. Mrs Farlam and Mrs Hogg are happy to help. You can also contact the Central Beds Council Integrated Front Door on 0300 300 8585, who you can talk to about your concerns. They will give you advice or may investigate the circumstances. All child protection calls are treated in confidence and you don't need to give your details.

Everyone has a responsibility to protect children from harm.
