Harvest Festival

Harvest Celebration

Thank you for all the wonderful harvest donations. Children from Reception to Year 4 walked to St Barnabas this morning to celebrate harvest. All the children sang and behaved beautifully. The food donations will be collected from the church by the Leighton Linslade Helpers and used to support people in the local area.

Happy Half Term

Hurray! We made it to half term. The children have worked so hard and settled beautifully into their new classes. It has been wonderful to see them working and playing together in the classrooms and outside.

I hope you all have a restful half term and can recharge your batteries ready for the run up to Christmas. The children return to school on Monday 2nd November.

Spotlight on- Values

We promote a set of positive universal values that underpin all aspects of life in our school; this is known as 'values education'.

Values education encourages children to take responsibility for their behaviour and learning. It is closely associated with citizenship and develops life long skills and attitudes. It is not a subject in its own right, rather it is woven throughout the ethos of the school.

Each half term we focus on one value. The value and its meaning are displayed around the school and promoted in assembly and PSHE (personal, social, health education) lessons.

The value of this half term is respect. Next half term we will be focusing on responsibility. More information can be found on the school website.

More information about values can be found on our website: [key information-curriculum-personal development](#)

School Safety

The red gate on Leopold Road is for pedestrians. Please always use this gate if you are on foot. We have cars and deliveries coming in and out of the green gate at various times of the day and sometimes it is difficult to see around the corner. Many thanks.

Reminders

Children need a named water bottle (filled with water) in school every day.

Reading records, reading books and book bags should be in school every day.

Please ensure that long hair is tied up for school every day.

Children need to have a coat in school each day. We go outside to play in all weathers (unless it is heavy rain).

Ensure that all food in snacks and lunch boxes is NUT FREE.

Thank you

Safeguarding

If you have any concerns about a child's safety or wellbeing, please speak to a member of the school's Safeguarding Team. Mrs Farlam and Mrs Hogg are happy to help. You can also contact the Central Beds Council Integrated Front Door on 0300 300 8585, who you can talk to about your concerns. They will give you advice or may investigate the circumstances. All child protection calls are treated in confidence and you don't need to give your details. Everyone has a responsibility to protect children from harm.
