The 7 SUPERPOWERS of smartphone-free kids

- 01. More time**
 Based on UK kids' average usage, they could get over 35 hours a week back to use in the real world.
- 02. More freedom**
 More space to grow into themselves – without pressure from likes, trends, or group chats.
- 03. Real social skills**
 They build confidence and vital skills by talking, listening, and laughing together – face to face.
- 04. Better mental health**
 Less time scrolling means less anxiety, fewer comparisons, and more joy in the everyday.
- 05. Digital resilience**
 They learn to use tech intentionally – creating, thinking, questioning, not just scrolling endlessly.
- 06. Focused learning**
 Without constant distractions kids can focus, think clearly and get in the zone – in and out of school.
- 07. Proper sleep**
 No late-night scrolling means deeper rest, brighter moods, and a brain ready for tomorrow.

Join hundreds of thousands of families delaying smartphones and social media – together.

Safeguarding at Linslade Lower School

If you have any concerns about a child's safety or wellbeing, please speak to a member of the school's Safeguarding Team. Mrs Farlam and Mrs Hogg are happy to help. You can also contact the Central Beds Council Integrated Front Door on 0300 300 8585, who you can talk to about your concerns. They will give you advice or may investigate the circumstances. All child protection calls are treated in confidence and you don't need to give your details.

Everyone has a responsibility to protect children from harm.
