Latest News and Information from Linslade Lower School

Annual Reports to Parents

The teachers are very busy writing the annual reports about your child's progress this year. We usually send home one copy of the report per child. It is always lovely to see how hard they have worked and areas of the curriculum they have excelled in. If you require two copies of the report, i.e. for parents who don't live together, we would ask that a stamped addressed envelope is sent into school by Monday 6th July. Parents will receive their child's reports on Friday 10th July.

Awards for Linslade Lower School

This week I have been informed that we have achieved the Eco Green Flag Award, with distinction, and the School Games Platinum Award for PE and sports in school.

Green Flag 2026

Linslade Lower School

Award Level:
Distinction

The Eco Group have worked really hard this year with litter picking, organising the toy sale and participating in national events, like the Big Bird Watch. Next week the Eco Group members will be showing round pupils from Mary Bassett School and talking together about eco issues. I have attached the Eco Award Report with this newsletter so you can see all the amazing things we have been doing!

The school has also been recognised for our sporting achievements. We have taken part in a number of events this year organised by the Leighton Linslade Sports Partnership. These events include, inter school football, hockey and athletics tournaments. We have also participated in activities with local school in cluster events.

Our aim is that all pupils will have represented the school at an event during their time as LLS. The children always show their determination and commitment at these events and are a credit to us. The award also recognises the learning in PE lessons and at extra curricular clubs.

WELL DONE
EVERYONE!!!

Year 4 Leavers' Show

The Leavers' Show to parents will take place on Wednesday 15th July at 9.30am in the school hall. The PTA will be serving refreshments before the show. We look forward to celebrating the Year 4 children's time with us.

Sports Days

EYFS 7th July at 9.30

KS1 8th July at 9.15

KS2 8th July at 10.45

Sports day is near! Our Sports day will consist of mixed teams competing against each other in a range of activities. Each team member will take part in every event and so be actively involved throughout. Children will need their PE kit, trainers that fit, a hat and a water bottle in school. The children will be taking part in individual races and team relays. These competitive races will take place at the end of the sports day. The whole events usually lasts just over an hour. Families are invited to attend these events. There will be no seating arranged, but you may wish to bring your own seat to carry around with you. PTA will be providing refreshments for spectators from 9.00 am. Please bring reusable cups with you.

This year, we have been fortunate to obtain the support of the young leaders from Linslade School.

We look forward to seeing you all - and hopefully some sunshine!

Safeguarding at Linslade Lower School

If you have any concerns about a child's safety or wellbeing, please speak to a member of the school's Safeguarding Team. Mrs Farlam and Mrs Hogg are happy to help. You can also contact the Central Beds Council Integrated Front Door on 0300 300 8585, who you can talk to about your concerns. They will give you advice or may investigate the circumstances. All child protection calls are treated in confidence and you don't need to give your details. Everyone has a responsibility to protect children from harm.

CHILDREN'S COMMISSIONER

THE BIG FUTURE

The Children's Commissioner, Dame Rachel de Souza, has launched The Big Future survey.

It's your chance to have your say on what it's like to be a child or young person in England today - what you love, what worries you, how you have fun, and the changes you want for a better future.

There are questions about voting, school, your area, online safety, and space for you to tell her what you think is important!

It takes less than 10 minutes to complete the survey.

Take part now:
